SEAFARER "GOOD NEIGHBOR" STANDARDS

In the interest of harmony and maintaining the Seafarer's unique quality of living, the following standards have been adopted by the Board of Directors

- Window treatments are to be white or off-white in order to maintain a uniform exterior appearance.
- No bathing suits, clothing, towels, rugs, etc., are allowed on balcony railings.
- Owners are encouraged to respect other owners "above and below" their unit. Area rugs on hard floor surfaces, felt tabs on chairs, tables, and cabinet doors are examples of noise reducing devices. Activities, repair projects, furniture moving should be done during "work day hours." Plumbing fixtures, drains on sinks toilets, tubs, air conditioning units should be inspected regularly and repaired as needed.
- Keep walkway outside your unit clean; not just in front of your door but for the full east-west stretch of your unit.
- Storage closets are to be shared by owners in a considerate fashion; i.e., only a fair proportion of space should be used. Items should be marked with the owners unit number.
- Grounds, dock, and pool rules established by the Board of Directors are to be obeyed.
- Any changes to the exterior of the building must have board approval. Replacement of storm doors, sliding glass doors, windows, and window screens are to be cleared through the manager to insure uniformity of style, color, and appearance.
- Owners will be billed for repair work provided by the manager and staff. Rates for standard tasks will be established by the manager.
- Flag holders mounted on balcony railings should be attached via boards and in accordance with Seafarer standards (see manager). No flags are to be directly mounted to the concrete structure or metal railings.
- Private balcony tile installations shall be done without adversely affecting the waterproofing of the balcony and patio door sill. This waterproofing is important to the protection of structural support components. Contact the manager for guidance.
- Roof mounted air conditioning work is to be done by authorized service companies. Roof doors will remain locked in order to prevent unauthorized access and to insure the roof remains undamaged. Repairmen will need to obtain the roof access key from the manager. The manager will inspect the work, and area, before signing the repair invoice.
- Owners and guests must grill in the designated areas on the northeast property near the dumpster. No grilling is permitted from balconies. Grilling is allowed by ground floor unit owners as long as grills are 10' from the building. Empty cold ashes in dumpster- not on lawn, parking lot, or common areas. Be sure to clean area when finished.
